WELCOME

Dear Colleagues,

The NYSORA International Symposium is now established as the “Must attend” meeting in the region. Based on this success, Dubai is hosting in September 2021 the 6th NYSORA International Symposium on Regional Anesthesia, Pain and Perioperative Medicine.

We have an extremely innovative program structured around interactions, exchange of experiences and education. Our unique NYSORA simulators and reverse ultrasound anatomy are not to be missed. The Symposium will feature a review of clinical advances in Regional Anesthesia, Pain and Perioperative Medicine along with new developments in the related industry. The comprehensive agenda offers updates in pharmacology, techniques, practice protocols, and patient-management trends.

Updates in standardization of nerve blocks, and the latest fast tracking, enhanced recovery after surgery (ERAS) will be the core of the program presented by some of the very best innovators in the field.

We are very excited about the 6th NYSORA International Symposium which will be a one of a kind knowledge-sharing event and a real international opportunity to learn and network.

Looking forward to seeing you in Dubai in September 2021.

Sincerely

Dr. Amar Salti and Prof. Admir Hadzic
